

ABTC Nosework Fun Day hosted by Colonial Belgian Tervuren Fanciers

When: Saturday January 7, 2012

Time: 9:00 am – 3:00 pm

Where: Riverside K9 Center
48 Bridge St.
Nashua, NH

Lunch: Pot Luck – please bring a dish to share

Instructor: Jean MacKenzie, CNWI
(certified nosework instructor)

Because we are limited on time,
the yankee swap will be held on the winter walk fun day

Items to bring:

- A variety of lots of smelly, delicious food for your dog, something he or she does not usually get but loves, it could be meat balls, bacon, liverwurst, cooked chicken or beef liver, Plato salmon treats, etc. If your dog is more toy motivated than food motivated, bring the favorite toy.
- Crate and a cover for the crate
- Buckle collar or non-restrictive harness and 6 ft or longer leash (if you have a 10 or 15ft line, that is preferred)

In order for the CNWI to plan our day, she would like an idea of the number of person-dog teams that will attend along with each team's level of experience with Nose Work.

You will be either:

- a. beginner (no experience)
- b. Intermediate (searching for food)
- c. Advanced (searching for birch paired with food)
- d. NW1 (odor only)
- e. NW2

Karen Davito has already gathered this info from many of you. If you have not yet given this info to Karen, please email her at karavid11@gmail.com

During nose work training, it is imperative that while one dog is searching, all other dogs in the building are kept in a covered crate out of sight of the working dog. Dogs that can't settle in a crate should be moved to your car to eliminate additional distractions. So please come prepared with a crate and crate covering.

This is a great opportunity to learn about this new dog sport under a certified instructor. Hope to see you all on the 7th!
